

Guide d'installation et d'utilisation • Installation and User's Guide

Tablette • Shelf

Lire toutes les instructions attentivement avant de commencer l'installation. Le bon respect des instructions garantie une installation sûre. Nettoyer régulièrement la surface pour qu'elle reste brillante. Utiliser seulement un nettoyant neutre et un tissu doux. Ne pas utiliser de nettoyant chimique ou d'éponge abrasive.

Read all instructions carefully before proceeding. Following the instructions closely will ensure a safe and secure installation. Clean the surface periodically to maintain a bright surface. Use only a mild-cleaner and soft cloth. Do not use chemicals or scouring pads.

LISTE DES PIÈCES / PARTS LISTING
